

**A Message from Cory D'Orazio
Marketing and Sales Manager**

Later this year, we're proud to mark a milestone that few organizations ever reach — **90 years of serving our community.** Since our founding, HOCU has grown and evolved alongside the people of Hawai'i, but our core belief has never wavered: that people come before profit, and that neighbors take care of neighbors.

90 years ago, our founders couldn't have imagined today's financial landscape. But they understood something timeless: a strong community is built on trust, shared purpose, and showing up for one another. That founding spirit continues to guide everything we do, from the products and services we offer to the ways we give back to the community we call home.

As we celebrate this milestone in 2026, keep an eye out for some exciting announcements and events we'll be sharing later this year in honor of our 90th anniversary. There's a lot to look forward to!

Mahalo for being part of 90 years of this incredible story. It's a privilege we don't take for granted.
