

**A Message from Ross Inouye
Senior Vice President**

At HOCU, we believe that members are at the heart of everything we do. That's why we're excited to share some exciting updates about what we have planned for the next few months. From our Shred-It Day to School Supply Drives, we have plenty of exciting opportunities for you to get involved with HOCU and our community.

We've also been working hard behind the scenes to offer a smoother, more seamless digital experience for our membership. With automatic enrollment for online banking and digital issuance for credit cards, banking with HOCU is more convenient and accessible than ever before for our members.

In light of recent headlines, I also want to remind you that your finances are safe and secure with HOCU. We understand that news of large bank failures can cause concern and uncertainty for many people. As a credit union, we can reassure you that HOCU is financially sound and well-managed. We continually review our financial positions and strategies to ensure the safety and stability of our credit union.

If you have any questions or concerns, please don't hesitate to reach out to us. We value your membership and are proud to help guide you towards a brighter future.

Mahalo,

Ross Inouye
