

**A Message from Kanani Kin In-Kauhane
Moiliili/Federal/Tripler Branch Manager**

Aloha, Everyone! As we enter the second quarter of the year, it's incredible to see how far we've come as a credit union and community. Reduced COVID rates and Hawaii's easing of restrictions bring a renewed sense of hope in this ongoing pandemic. After two years of uncertainty, we're ready to bring back our in-branch experiences that prioritize our members' health and safety.

The first phase will begin on April 1st with the reopening of our Federal Branch. The branch will resume normal business hours and be ready to help you with all of your financial needs. We appreciate our members' patience and understanding during these challenging times, and we're excited to bring this location back to our Downtown Honolulu members. We also look forward to reopening our Tripler Branch in the near future. Stay tuned for future updates through our website and social media platforms about our branches and updated hours of operations. We look forward to seeing you soon in our branches.

Mahalo,
Kanani Kin In-Kauhane
